

MEMBERS OF THE SANCTUARY COMMITTEE

After you have time to review the documents contained on this Idea Board, please feel free to reach out to anyone on our Committee to discuss items, share ideas or to ask questions. We will continue to update and add to this Idea Board as progress continues. Please remember, the items posted are subject to change and may be the final recommendations of our Committee to the Congregation, however, a formal Town Hall and vote will be held before final decisions are made. We are here to help and prayerfully serve this great cause!
